Hi. Welcome to our growing family of Love Handles Motorcycle Passenger Armrest dealers. We're excited to help you turn reluctant riders into happy passengers - and happy customers! Love Handles is a great sales opportunity for you because they make a great addition to your customers' bikes and to your parts and service areas.

To begin, we're happy to send you our consumer Love Handles Armrest brochures, along with a free acrylic brochure holder. These full-color, 8-panel brochures are loaded with photographs, plenty of details and upgrade opportunities and they feature a dealer imprint area on the back ready for your logo.
